FORD FUND IS PROVIDED FOR CRIPPLED CHILDREN

FOR CRIPPLED CHILDREN

Wellesley, Mass, Sept. 16.—It has been announced here by fier. Seminel S. Marquis, head of the Ford elucational department, that an unlimited sum has been set aside by the Ford Motor company of Detroit, Mich. to be devoted to the treatment of crippled children throughout the country who are in need of surgical care.

Speaking at a conference of business men bere he said a fund originally had been created for the use of cripples in the families of the employes of the concern. Because of its limitations, however, the fund had been provided for, he said, to be devoted to children throughout the country who need treatment and have not the means to pay for it. Further details of the plan ways not made public.
